## **FAQ**

**Q:** What is the CDA COVID-19 Relief Fund?

**A:** A public-private partnership between the City of Coeur d'Alene, Coeur d'Alene Chamber of Commerce, Panhandle Health District, CDAIDE, CDA School District, Regional Child Care Resource Center, Village at Orchard Ridge, St. Vincent de Paul, and United Way of North Idaho. The fund will provide grants to organizations, regardless of their IRS status, whose operations in support of vulnerable populations and those affected by the COVID-19 pandemic have been stressed by the outbreak. Funds are managed by United Way of North Idaho, with funding decisions made collaboratively by the partnership. No administrative fees are taken from the fund.

**Q:** Who is eligible for grant funds?

**A:** Organizations serving vulnerable populations with basic needs (food, housing, living expenses, transportation costs, etc.) in the following areas:

- Physically and/or financially vulnerable seniors
- Child Care providers
- Service industry workers
- Low-moderate income families with K-12 children

**Q:** Are there restrictions on use of funds?

**A:** Funds are not intended to supplant regular operational costs, but rather to augment increased demand on services as a result of COVID-19. Grants may be awarded up to \$5000, subject to change as funds become available.

**Q:** What is the application process?

**A:** Organizations may apply at any time by accessing the short application here: [www.CDACOVID.com](http://www.CDACOVID.com) and sending completed applications by email to [Keri@UWNorthIdaho.org](mailto:Keri@UWNorthIdaho.org). Applications are reviewed twice per month.

**Q:** What is required to apply?

**A:** Organizations must answer a few questions to demonstrate need and provide organization and project financials.

Granted organizations are required to complete a report on the use of funds within 30 days after receipt of funds. If you have immediate stories to share please let us know to help promote your work and continue fundraising.

**Q:** How are proposals reviewed?

**A:** Proposals are reviewed twice per month and scored by representatives from the Relief Fund partnership. Funding decisions are made and applicants notified of their status within two weeks of application receipt. Please refer to the CDA COVID-19 Relief Fund Application Score Sheet to view the scoring criteria.
